CALLING ALL ANGELS

Dear Friends,

In support of Covenant House, we are planning our fourth annual Calling All Angels fundraising event. It will be held once again at San Marino Club in Troy. San Marino has been a very generous supporters and they allow us to give so much more back to our beloved cause. With our challenging economy and so many hardships facing so many, we wanted this year's event to be fun and inspiring to everyone. Now, more than ever it is time for those of us who can to help the children who so desperately need us.

A great number of these children have aged out of foster care; many are on the streets because they are trying to escape from abuse and neglect. We believe no child should suffer. No child deserves to be without a home. These children belong to all of us. As compassionate and loving individuals we can work together to make a difference. Many of these homeless, suffering children end up incarcerated, fall victim to prostitution and drug addiction or are left to die alone on the streets. We still deem these children the "forgotten ones" and we will continue to put forth our efforts in saving them.

Our main goal at Calling All Angels has always been to save the children. Covenant House Michigan works diligently and compassionately to get homeless kids off the street. Their Outreach Team drives through neighborhood streets searching for kids living in abandoned houses, cars and parks. These places are unfit for anyone, much less a child. The team delivers hygiene supplies and provides information about services Covenant House offers. They befriend these homeless children, eventually gaining their trust and encourage them to find shelter, love, education and so much more in the doors of Covenant House. However, an estimated 5,000 youth are still without a home in the state of Michigan. Covenant House Michigan needs our help to get these children off the street. With this year's event, we hope to provide another van of transportation and hopefully other much needed items, so that children are rescued and brought to a place where they will receive safety, shelter, and food and most importantly love.

However, we cannot do this alone. In the past four years we have successfully made a difference with your continued support. We have placed homeless mothers and their children in homes, purchased and renovated a home for children who aged out of the foster care system, who would have otherwise been living on the streets.

You are our angels and we are calling on you to help us, your heart is our hope in our efforts in giving children hope. Thank you for your compassion and support.

With Deepest Thanks,

Laura Bostick
